

FAQ ABOUT ELECTRONICS

DOES THE ITEM HAVE TO WORK?

We take electronics whether they are in working condition or not.

WHAT IF I'M MISSING THE CORD, REMOTE, ETC.?

That's ok, we still want your item!

WILL YOU TAKE MY MONITOR IF IT HAS A CRACK IN IT?

Sorry, but we'll pass since we wouldn't be able to sell or responsibly recycle it.

DO YOU ACCEPT INK CARTRIDGES?

We sure do!

DO YOU ACCEPT GAME CONSOLES?

Absolutely! Whether it's an original Atari system or the latest PlayStation 5, Xbox Series X or Nintendo Switch, we love game consoles (and games)!

DO YOU ACCEPT CORDS?

Of course! We can match them up to items we receive that don't have cords included.

WHAT TYPE OF TV/MONITOR DO YOU ACCEPT?

We gladly accept flat screen TVs and monitors. Because of the expense of recycling, we cannot accept CRT (tube) TVs and monitors.

DO YOU TAKE BATTERIES?

Because we don't have a way to responsibly recycle batteries, we'll politely pass. But, thanks for asking!

DO YOU ACCEPT PHONES?

We do! We'll accept everything from the iPhone 15 to the vintage version with the real long cord.
