

DONATION GUIDE

CHANGING LIVES FOR GOOD

Goodwill stores sell your donated items and use revenue from the sale of those items to help fund programs that help thousands of people in our local community.

Your donations support job training for people with disabilities and other barriers to employment, hot meal programs, rape crisis services and much more.

Maybe you aren't sure what to donate to Goodwill?
It's pretty simple.....we take almost anything!

There are just a few things that your Goodwill cannot accept as a donation, mostly because of regulations or processing costs.
